### Return on Investment

“To me there is no price tag on being an IAMIC member. IAMIC has empowered me by allowing me to further my education, and in turn, helped to teach & empower others in this industry. IAMIC gave me the confidence to implement new techniques at our mutual. I have learned so much through their educational opportunities, resources and guidance. I enjoy meeting other IAMIC members and discuss different ideas.”  
*Angel Minemann—PFMM, Assistant Manager of Horse Prairie Mutual.*

“As a newer member, I can say that the membership with IAMIC is more valuable than I ever expected. Of course there are lessons learned from being in the office doing day-to-day work. However, the lessons learned at IAMIC conventions and classes go far beyond that. Not only do they provide the most updated information and offer CE credits, but the networking with other mutuals and the support from IAMIC leaders and other IAMIC members is amazing. I have no doubt that if I had any question (big or small), I could pick up the phone or write a quick email and have assistance within moments.”  
*Sherry Warren,  
Hamel Mutual Insurance Company,*
