Round Tables

Roundtables allow members a chance to exchange ideas and solutions to the day-to-day issues that a mutual could face.

Hail—Functional vs Cosmetic

With building materials changing, so are hail claims. Learn the difference between functional damage, cosmetic damage and how to handle them both as a Mutual.

Roofing & Afraid

We're bringing a roofing rep in so you can hear why the market is the way it is, what to expect, and more straight talk from the source.

The Claim After The Claim

A panel discussion with claims adjusters. A claim is turned in and you make an estimate, set a reserve, pay the acv, and believe you have a handle on it. Then the claim after the claim happens, supplements to the original estimate.

Straight Up Fraud

Theft, Social Inflation, and Vandalism—Oh my!
Fraud is on the rise, do you know how to protect your Mutual?
