### Tentative Schedule

#### From The Ground Up

Starting at the basics of building classes, identifying the types and parts of buildings, houses, and materials used in construction.

#### Back To The Basics

There's never been a better time to relearn the basics. From Underwriting to inspections to evaluating - we're going to help you ensure your Mutual is running smooth from square 1.

#### Round Tables

Roundtables allow members a chance to exchange ideas and solutions to the day to day issues that a mutual could face.

#### Liability 101

Sticking with the theme of basics, this course will cover liability items such as; Additional insureds, basic liability coverage, basic farm coverage, when to not have full liability and more.

#### Valuations

This course will cover how to properly do cost guides and valuations with examples of how to do a valuation cost guide to get the appropriate RC number for making the classifications into each company's rating structures and guidelines.
