

2025-2026 IAMIC Dues Renewal

Our 2026 Theme is “FORGED”

By renewing your dues, you will be part of our **PREFERRED VENDORS** list.

We need **YOU** to be part of our **success story**. Our goal is to provide members with vendors who share our values and who offer services that will help our mutuals be more efficient businesses. We feel that

«Company» is a company that mirrors our principles which makes you a good partner for us.

We hope you agree.

What is your Return on Investment?

The Benefits that come with membership

Preferred Vendor Link - Our website will have a page of preferred Vendors. We will include your Company Logo and a link to a 2–3-minute welcome video that you provide – check it out at iamic.org!

Searchable Toolbar - Our website will offer a search toolbar *by specialty*; this will allow members to find you by your specialty and make an instant connection for those that need your service.

«Company» **Webinar** (30 minutes) - An exciting new opportunity to highlight your company skills to IAMIC members. These are educational and informational webinars only offered to Preferred Vendors and provided to all members. Ask me how to get your spot reserved.

Preferred Vendor Media Post - Permission to post on IAMIC social media accounts to help get your name in front of our members and help establish your credibility.

BE AN EXPERT - A new opportunity to participate on our “Community Forum” pages. You will be able to schedule a day when you will be available to answer questions from our members regarding your expertise. You will be the only one allowed to answer, and it will highlight your skillset to members. Be sure to contact Jackie to schedule your time.

See how one of our members is benefiting from their investment:

“IAMIC does a great job of boosting interaction with the attendees and exhibitors through the games in the exhibit hall to the fun dinners in the evening. It’s a great way to get to know people on a more personal level to develop friendships, and an added bonus of getting a few leads. It is always a great time at IAMIC.
